Much of the pleasure of living in a custom built home comes from being able to express your passions through a home designed for your life-style and preferences. It's not only how a home looks on the outside, but how it feels on the inside that makes it a true masterpiece to you. If you have a special home you are envisioning, let us help you turn your dreams into reality!

Stop in and talk to us about how we can turn your dreams into your new home.

THELEN TOTAL CONSTRUCTION, INC.
Design / Build Specialists

Building a home is one of the most important, and most personal decisions a family will make. Since 1974, hundreds of families have chosen Thelen Total Construction to build their dream home.

SOMETHING SPECIAL:

Our clients appreciate we have the ability to visualize their unique ideas and the capability to translate those concepts into a home fitting their individual needs and desires.

REST ASSURED:

Our clients consider more than the cost of the project. They want the peace of mind that comes from choosing a builder focused on quality, not only before and during construction, but equally as important, after.

MAKE IT ENJOYABLE:

Our goal is to make your home building experience a positive one, fostered in an atmosphere of mutual respect, with conscientious and straightforward communication.

OUR MISSION:

To deliver exceptional home design, construction and client service.
